Notice to All Applicants:

Options for Applicants with Disabilities or Handicaps

This property is managed by Satellite Housing, Inc. We provide low rent housing to individuals and families. We are not permitted to discriminate against applicants on the basis of race, color, religion, creed, sex, sexual orientation, gender identity, marital status, age, national origin or ancestry, familial status, physical or mental disability, medical condition, veteran status, AIDS, AIDS related condition (ARC), citizenship status or any other consideration protected by federal, state or local laws. In addition, we have a legal obligation to provide "reasonable accommodation" to applicants if they or any family members have a disability or handicap. Compliance actions may include reasonable accommodation as well as structural modifications to the unit or premises.

A reasonable accommodation is some modification or change that we can make to the policies or procedures that will assist an otherwise eligible applicant with a disability to take advantage of the program. Examples of reasonable accommodation and structural modification include:

- Making alterations to a unit so it could be used by a family member with a wheelchair;
- Installing strobe type flashing light smoke detectors in an apartment for a family with a hearing impaired member;
- Making large type documents or a reader available to a vision impaired applicant during the application process;
- Permitting an outside agency to assist an applicant with a disability to meet the property's screening criteria.

An applicant family that has a member with a disability must still be able to meet the essential obligations of tenancy. They must be able to pay rent, care for their apartments, report required information to the owner, avoid disturbing their neighbors, etc., but there is no requirement that they be able to do these things without assistance.

If you or a member of your family have a disability or handicap and think you might need or want a reasonable accommodation, you may request it at any time in the application process or after admission. This is up to you. If you would prefer not to discuss your situation with management, that is your right.
